

Product Background

Elysia is a 14-hectare mixed-use development located at the heart of the rapidly growing Lagos New Town corridor and along the Lagos–Calabar coastal highway. Designed as a vibrant, sustainable lifestyle destination, Elysia seamlessly blends living, working, and leisure in one thoughtfully curated environment. The development is thoughtfully divided into four dynamic zones—each purposefully planned to enhance functionality, elevate daily experiences, and maximize long-term value. Elysia isn't just a place; it's a thriving community built for connection, innovation, and elevated living.
